

In January 2016, the Lord confirmed through a series of events that our Pastor, George Sotolongo would launch a church in Apopka.

As a pastor for 20 years, Pastor George has dedicated his life to see people from all walks of life be awakened and set free by the power of God.

Our first lady Janice, has been called to lead and teach children in the ways of the Lord through biblical principles.

Together they both believe God has placed them in Apopka for such a time as this.
